How many interns do you anticipate hiring this year: 1

What are intern assignments from day 1? side-by-side at supervisor's school full-time

Please briefly describe what experiences an intern in your district would receive: Interns in Gilbert split their time between an elementary campus and a secondary campus (typically a high school). They receive opportunities to participate in a variety of activities including, assessment, consultation, MTSS, PBIS, manifestation determinations and other school psychology related activities. The internship is very thorough and Gilbert has a history of hiring our interns as school psychologists following their internship. Describe professional development and training opportunities at site. (Check all that apply): regularly scheduled psychologist group

meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1500

What other information should intern candidates know about your district or internship experience that is not listed here? Gilbert is a large suburban district of approximately 34,000 students in pre-k through 12th grade. We offer a comprehensive range of programs and services to students and families. As such, we provide a wealth of learning opportunities to school psychology interns in our district.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: No  
If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit: N/A
