Is the internship funded: Yes

If so, what is the typical salary: 35,000

How many interns do you anticipate hiring this year: 1; maybe 2

What are intern assignments from day 1? at own school full time with supervision 2 hours weekly

Please briefly describe what experiences an intern in your district would receive: An intern will gain experience functioning as a school psychologist with elementary age kids. Their role includes conducting psycho-educational evaluations of cognitive, academic, social-emotional, and adaptive behavior. They will receive experience analyzing and interpreting classroom and standardized assessment information, facilitating review of data and evaluation results meetings, conducting functional behavior assessments, facilitating child study team meetings, serving as a member of a school's leadership team, engaging in crisis response and prevention strategies, and consultation with parents, teachers, admin, and community agencies, etc. They will gain experience observing a variety of school psychologists in the

district and have the opportunity to work with a variety of ages/grades between preschool and high school level.

Describe professional development and training opportunities at site. (Check all that apply):

- regularly scheduled professional development for intern level trainees (targeting trainee skills)
- regularly scheduled psychologist group meetings/supervision/training (targeting all district school psychologists)

Will the supervisor(s) provide 2 hours of direct supervision for every 40 hours worked: Yes

How many hours do interns typically accumulate throughout the year: 1200

What other information should intern candidates know about your district or internship experience that is not listed here? Our district is in a rural community. The district has experienced rapid growth and is continuing to grow. We value inclusive practices and we work hard to do what is in the best interest of every child.

Are there at least two licensed doctoral psychologists on staff in the event that a doctoral candidate wishes to receive supervision consistent with a future pursuit of licensure: No

Do you require students to apply to the district ahead of time: Yes

If so please provide directions for students on where to apply (physical address/email address/website) and what portfolio materials to submit:
